BHA Talk

With Candice

Thank you to all residents for your cooperation and preparation during the April NSPIRE inspection. Your efforts in maintaining your homes and being inspection ready are truly appreciated and help support a safe and quality community for everyone.

Outdoor Safety & Courtesy Reminder:

With warmer days ahead and children spending more time outdoors, please remember that children under the age of 16 must be supervised by an adult at all times. Residents are also expected to be courteous and respectful of neighbors' yards and personal property.

Pet Policy Reminder:

Pets may not be tied to exterior structures at any time. This is a lease violation and will result in charges to the resident's account. Continued noncompliance may lead to additional action in accordance with the lease and pet policy.

Congratulations to Aiyanna Stroud for graduating high school!

Towaliga Talk with Tiffany

Happy May, Towaliga Residents!

As part of our ongoing commitment to supporting you and your household, we want to take a moment to share a few important reminders and updates.

As warmer weather approaches, please be mindful of our Occupancy Rules and the guidelines therein. Remember the following:

- Pools are not allowed on property
- Children under the age of 16 are not allowed to be outside without adult supervision
- Grills must be stored at the back of your property as close to the property line as possible when not in use
- Washing your vehicle is not allowed on property, neither is working on your vehicle
- Please only have approved, outside furniture on your porches
- When not in use, kids' outside toys should be stored neatly at the back of your unit
- **Dogs are not to be left unattended or tied/chained outside**

If you have questions or need assistance, don't hesitate to reach out to our team. Thank you for being a valued part of our community.

A note from our Executive Director

As the school year draws to a close, we take a moment to celebrate our graduating seniors and all they have accomplished. This milestone is more than the end of one chapter—it's the beginning of a new and exciting journey filled with opportunity, growth, and discovery. Each of you leaves behind a legacy of hard work, resilience, and memories that you will always carry with you. As you step forward into the next phase of your lives, carry with you the lessons you've learned, the friendships you've built, and the confidence to pursue your dreams. The future is yours to shape, and we have no doubt you will make it bright. Congratulations, graduates— can't wait to see all that you achieve.

Community Spotlight

Frequently Asked Questions

Q. I am not a Medicaid member, but I have limited income and assets and need services. Am I eligible to participate in CCSP?

A. Contact your local Area Agency on Aging for assistance in determining your eligibility for CCSP or other community resources. The AAA will screen you for financial eligibility for Medicaid, but the final determination of your Medicaid eligibility is determined by Georgia's Division of Family and Children Services (DFCS) in the Department of Human Services.

Q. How much do CCSP services cost?

A. Based on Medicaid income limits, some eligible individuals pay some of the cost of their services while others do not.

Q. Is there a waiting list for CCSP services?

A. Admission to CCSP is based on available funding determined by the state legislature. Priority is given to those most in need of services.

Q. How long will I be eligible to receive CCSP services?

A. Services are dependent on the individual's continued financial eligibility for the program and their continued need for a nursing home level of care.

Personal Care Assistance

If your household is in need of sanitary napkin products, please contact me directly. These items are available.

As always, feel free to reach out if you need assistance or have any questions.

Update Your Contact Information

Please remember to notify the office as soon as there are any changes to your contact information, including phone numbers or email addresses, so we can keep our records up to date.

Food Pantry Available

Our food pantry is up and running. If you need food assistance, please contact me and I will be happy to help. I have also included a list of local food pantries available in Lamar County and surrounding areas.

Summer Food Program for Children

If you have a child in your home who would like to participate in the Summer Food Program sponsored by Small Treasures, please come to the office to sign up. Forms will be located in the lobby.

The program will run from June 1st through July 31st and is a great opportunity to ensure children have access to nutritious meals throughout the summer months.

If you are interested or would like more information, please reach out to the office—we're happy to help get your child signed up!

Tenant Spotlight

If you or someone in your home reaches a major milestone ex: graduation, military acceptance ect. that you would like to be known; Please let me know so we can feature it in our tenant spotlight.

Facebook Page

Please like our Facebook page at **Barnesville Housing Authority**. We will begin to post upcoming events, in the know information, tenant meetings and much more!

Here in our community, we believe in caring for the whole person—mind, body, and spirit. Mental health matters every day, but May is a special time to raise awareness, show support, and remind each other: you are not alone. Mental health is just as important as physical health. This month, let's take a moment to check in with ourselves and with one another. Whether it's talking to a friend, taking a walk, or simply taking a deep breath, small steps can make a big difference.

Remember, it's okay to ask for help. You're not alone.

Let's continue to build a community where everyone feels seen, supported, and valued.
