ATTENTION

Georgia State Law requires that students attending public school must attend a school in the district in which they reside. When enrolling a student in public school in the state of Georgia, the guardian of the child **MUST** provide proof of residency. Acceptable proof of residency includes a current lease, property tax notice, homeowner's insurance bill, mortgage statement, current vehicle registration form, any utility bill listing your residence as the service address, a letter from a shelter, or a letter from your employer, if your employer provides housing.

If you have provided proof of residency to a school for your child/ward outside of the Butts County School District and did not remove the child from your dwelling lease, you have committed fraud & your rental assistance with the Jackson Housing Authority will be terminated.

Title 18, Section 1001 & 1010 of the U.S. Code states that a person is guilty of a felony for **knowingly and willingly making false or fraudulent statements to any department or agency of the United States or to the Department of Housing and Urban Development.**

The official Code of Georgia, Section 16-9-55, as amended, states that a person is guilty of a misdemeanor for **fraudulently obtaining or attempting to obtain public housing or reduction in public housing rent.**

Heritage Inn of Barnesville is a Skilled Nursing Center that focuses on improving and maintaining the quality of life our patients experience. Services include 24-hour skilled nursing services, pharmacy services, hospice services, and transitional care programs. Heritage Inn is Medicare and Medicaid certified, and can assist families and patients with Medicaid applications and renewals, insurance enrollment, and Medicare changes. For patients who are need of memory care services, Heritage Inn has one of the only secured memory units in the state. It provides a compassionate environment, individualized programs, and a stimulating and home-like feel for patients who may have Alzheimer's and dementia. Rehabilitation services include Physical Therapy, Occupational Therapy, and Speech Therapy. Therapists work one-on-one with patients focusing on assisting them to achieve and maintain their level of functioning as appropriate. Whether a patient admits for a short-term stay or long-term care, Heritage Inn offers love and care for each loved one who becomes part of the center's family.

As the Admissions Coordinator and Healthcare Navigator at Heritage Inn, DeAnn Hofer leads the center in reaching into the local and surrounding communities to assist families in need. She has been employed with Heritage since May of 2015, starting in Human Resources and working her way from there to Financial Coordinator, and now Admissions Coordinator. To DeAnn, working with the elderly, especially at Heritage Inn of Barnesville, is her calling. She enjoys being a source of love and laughter for both patients and associates alike. She encourages the community to volunteer with the elderly – community grandparents have so much to offer the younger generations.

The community is welcome to come and visit Heritage Inn any day of the week. Bingo is a favorite activity, and is scheduled three times a week: Monday, Wednesday, and Saturday. To volunteer in any upcoming events, please contact Amy Carter, Activities Director. Feel free to follow us on Facebook! Search Heritage Inn of Barnesville. For inquiries about admissions to long-term or short-term care at Heritage Inn, please feel free to contact DeAnn Hofer at 770.358.2485.
